2. CALLS TO AGRICULTURAL RESEARCH CENTER, PLANT INDUSTRY STATION AND USDA IN WASHINGTON

To telephone from the USDA in Washington to the Agricultural Research Center: Dial 82 and follow immediately by dialing the desired extension number at the Center.

To telephone from the USDA in Washington to the Plant Industry Station: Dial 85 and follow immediately by dialing the desired extension number at the Station.

To telephone from the USDA in Washington to the Information operator at the Agricultural Research Center or the Plant Industry Station: Dial 820 or 850, respectively.

To telephone from either the Research Center or the Plant Industry Station to a number in the USDA in Washington: Dial the figure 8 and follow immediately by dialing the desired number in the USDA.

To reach the Information operator in the USDA in Washington from either the Research Center or Plant Industry Station: Dial 80.

To Make a local call between the Research Center and the Plant Industry Station: Dial the figure 7 and follow immediately by dialing the desired local extension number.

3. TELEPHONE SERVICE AND DIRECTORY

In order to insure accuracy, it is essential that telephone directory listing information be supplied at the time orders for new, changed, or discontinued telephone service are issued. Forms AD 7 and AD 8 ("Telephone Directory Information"), which are used for this purpose should be attached to SF 145 ("Order for Telephone Service") and forwarded to the Service Operations Division, Office of Plant and Operations.

4. CALLS TO OTHER GOVERNMENT AGENCIES

Direct dial tie lines (codes) to other Government agencies are provided through the automatic Government dial system. These agencies should not be called by their Central Office Exchange numbers. The list of Government agencies shown on the back cover page of this directory should be consulted for code numbers. Codes not listed thereon may be obtained by dialing "information" (extension 3131).

To call agencies equipped for "thru dialing": If the extension number in the agency is known, dial the agency code number and immediately thereafter the desired extension number. If the extension number is not known, dial the agency code and the figure "0". The agency operator will answer and will furnish the desired extension number. However, she will not make the connection. She will ask the caller to note the extension number she has furnished and then will ask him to hang up and dial his party direct on that number.

To call agencies not equipped for "thru dialing": If the extension number is known, dial the agency code and give the agency operator the extension number. She will make the connection. If the extension number is not known, dial the agency code number and ask the operator for "information".

Keep handy a "frequently-called" list of dial codes and extension numbers.

5. CALLS TO CENTRAL OFFICE EXCHANGE NUMBERS

EXAMPLE: Call to District 7-6713.

Remove the receiver and listen for the dial tone. Then dial the figure "9"; then dial the first two letters of the Central Office Exchange and all of the numbers that follow.

6. SIGNALLING THE OPERATOR TO TRANSFER A CALL

It is mechanically impossible for the Agriculture operator to transfer a call that originated on dial equipment within the Department. To transfer incoming calls from Central Office Exchanges or other calls handled manually by the operator, the operator may be signalled by moving the receiver hook slowly up and down.

7. RESPONSIBILITY FOR HANDLING PUBLIC AND CONGRESSIONAL INQUIRIES

It is the responsibility of employees of the Department to handle telephone inquiries promptly, courteously, and with as little inconvenience as possible to the callers.

Correct Referral—Information Desk. When an employee receives a telephone request for information that is not within his area of responsibility, he shall put the caller in touch with the proper person in the Department with as little delay as possible. If the employee does not know who this is, he should check by telephone until he is sure that he is referring the caller to the proper source. The Information and Publication Desk, Office of Information, in the lobby of the Administration Building, extension 2791, is responsible for handling subject-matter inquiries. When there is doubt as to whether an inquiry may be referred, it may properly be directed to this Desk.

Give Intelligent Service. Employees must be ready to go out of the way to put callers directly in touch with the proper employees, wherever located in the Department. Since the public usually is not familiar with the organization of the Department, it may be difficult for callers to find without aid the persons who can answer their questions. Opinions of the general efficiency of the Department often are formed from the manner in which such inquiries are handled.

Congressional Inquiries. Congressional inquiries must be handled with all possible dispatch. Heads of organizational units throughout the Department are responsible for seeing that these calls are taken care of without delay. When an employee receives a Congressional telephone call that is not within his area of responsibility, but can be answered by another employee of the agency, he should, after making sure that this is so, arrange for the latter to return the call immediately. If the responsible person is out, his office should be asked to advise the caller accordingly. Congressional calls must not be transferred without first ensuring that the person to whom the call is transferred is the proper one to answer the inquiry.

Use of Congressional Unit, Office of Information. If a Congressional call cannot be handled in the manner shown above, the employee receiving the call may tell the caller that he will arrange to have the proper person call back, and may then ask the Congressional Unit, Office of Information (extensions 3365 and 4303) to arrange for having the call properly answered. If the call relates to proposed legislation, it should be referred to the Division of Legislative Reporting and Management Review, Office of Budget and Finance (extension 4654), instead of to the Congressional Unit.
